- <sup>1</sup> The Individual or Family Coverage deductible (as applicable) must be met before benefit payments are made, including for services covered under the drug plan.
- <sup>2</sup> After a member or family reaches the applicable out-of-pocket limit, BCBSNM pays 100 percent of that member's or family's Preferred Provider or Nonpreferred Provider covered charges, whichever is applicable. Amounts paid under the drug plan are subject to the Preferred Provider limit. Preferred Provider/prescription drug coinsurance and copayment amounts do not cross-apply to the Nonpreferred Provider out-of-pocket limit amount, or vice versa.
- <sup>3</sup> Initial treatment of a medical emergency is paid at Preferred Provider level. Follow-up treatment and treatment that is not for an emergency is paid at Nonpreferred Provider level.
- <sup>4</sup> Certain services are not covered if preauthorization is not obtained from BCBSNM. See a Benefit Booklet for a list of services requiring preauthorization.
- <sup>5</sup> Preauthorization is required for inpatient admissions. Some services, such as transplants, require additional preauthorization. If you do not receive preauthorization for these individually-identified procedures and services, benefits for any related admissions will be denied. See a Benefit Booklet for details
- <sup>6</sup> Rental benefits will not exceed the purchase price of a new unit.
